

Surveyed the following lines & established the following corners in Section No. 8, T<sup>10</sup> N. R. 1. E. 10 A. P. 1. East for John Myannis John Slipp & others commencing on the 7<sup>th</sup> April 1873 and at the half mile post on the East side said Section found at this corner a stone planted but only one of the old witness trees standing Beech 16 in S 21° E. 6 L. Made a new witness Beech 6 in N 78° E. 65 L. Ran thence North to N. E. cor of said sec. 40.18 ch found only one original witness tree standing Beech 28 in in dia bearing S 57½° W. 23 L. Made a new witness ~~standing~~ Beech 12 in bearing S 37° E. 23 L. from stone planted for sec. corner adjourned to meet on the 8<sup>th</sup> commencing on the 8<sup>th</sup> inst at said sec corner ran thence west 39.88 ch to N. West corner on the Meridian <sup>perpetuated</sup> ~~established~~ the corner by new witness Poplar 45 in N 34° W. 21½ L. Old witness standing Beech 24 in S 1° E. 11 L. The line last named has some trees which seems to have the old marks much like the original Surveyors marks. Made a corner on this line equidistant from the sec corners being 18.84 chains from either the N. E. or the N. W. corner Ran thence South on the Meridian to S. W. corner 40.64 ch thence East to the place of beginning 39.92 ch distant making a corner on the midway point 19.96 ch from the <sup>sec</sup> corners witness by Beech 24 in S 85° W. 19 Beech 10 in N 21½° W. 36 L. The last line runs with a variation of about 5° 30'
